### Scholarship Opportunity

Hanna's Creek Christian Church, hereafter H.C.C.C., has been generously endowed by church members who have, through gifts and memorial donations, established a scholarship fund that provides financial resources to be awarded to full-time undergraduate students each year. The value of each scholarship will vary according to the working balance of the fund and the number of qualified applicants each year. Applicants must meet the following qualifications: have a minimum cumulative G.P.A. of 2.0, have been accepted and enrolled full-time in a college, university, or technical school, and attended H.C.C.C. regularly for at least one full year before being awarded a scholarship.

### Application Procedure

1. Applications will become available at the beginning of the spring semester during the year of application. Applications may be picked up at the church office or acquired from the Church website.
2. Completed applications, current school transcript(s), a letter of recommendation, and a photo must be submitted to the Scholarship Committee at the H.C.C.C. office by March 1, 2025. Please check with the church office to verify that your application has been received by the deadline. It is preferred that applications be typed. Additional paper may be used if more room is needed for any response. It is most important that your responses are detailed and complete to help the Scholarship Committee get a better sense of each applicant. Any questions should be directed to a member of the Scholarship Committee.
3. After reviewing all applications, the Scholarship Committee will contact all applicants by mail. The scholarship recipients will be invited to attend a presentation of awards during a worship service. Recipients are expected to participate in this presentation. If unable to attend, the recipient(s) must contact the Scholarship Committee before the awards service.
4. This application is for one academic school year; however, students attending a Christian college or university may reapply each year if qualifications are met. Students may only receive a total of four scholarships.
